

# Annual Survey Agreement (ASA)

**AT AAGE HEMPEL**  
we believe in the benefits  
of being proactive and  
planning ahead.

**TRUST IN US**  
to help you prolong the  
lifecycle and performance  
of your fleet.

# THE AAGE HEMPEL MISSION

OUR MISSION is to provide the highest quality and most cost-effective services worldwide through our operational excellence. We strongly believe in our human resources and we invest in training to keep our crew up to date with all major marine electronic manufacturer's equipment and SOLAS requirements.

Our spare parts inventory strategy in combination with our competent service team; minimizes down time of your vessels operations with an **average of 90% of First Time Fix (FTF)**

# WHY ENTER AN AAGE HEMPEL ASA?

THROUGH OUR ASA, we will help you prolong the lifecycle and performance of your fleet within a predetermined budget to avoid unexpected costs and unplanned breakdowns. We will ensure all obligatory services, inspections and surveys are conducted at the most convenient ports, removing the stress from your crew, giving them the ability to focus on other critical matters.
